UNITED WAY OF BURLINGTON COUNTY DONOR CHOICE PROGRAM

ADVANCING THE COMMON GOOD

This is the most effective way to invest in your family, your friends and your neighbors in Burlington County. Your gift to Advance the Common Good will make a difference to thousands of people in your community. Volunteers review the programs and services of the agencies requesting funding to ensure your gift is used to meet proven community needs. No other charitable organization in our area provides this service!

Optional: TARGETED CARE

Your Targeted Care gift will benefit the people you want to help most. Volunteers review these partner agencies' programs to ensure the funds are well spent.

Education

Offering children opportunities to learn and explore the world around them. Investing in services such as mentoring, after-school programs and youth leadership development.

Income

Providing individuals the tools to obtain financial stability and independence. Homelessness prevention, affordable housing and financial education are keys to a strong community.

Health

Preventing hunger, providing parenting education, home healthcare/hospice and offering domestic violence shelter help to improve the health and well-being of those in our community.

Optional: SPECIFIC AGENCIES

This option enables you to support United Way in your hometown or an individual agency. Tax-exempt/tax-deductible 501(c)3 organizations serving New Jersey, Pennsylvania or Delaware are eligible to receive your gift. Only United Way partner agencies are reviewed for efficiency and effectiveness.

If you choose this option, please consider directing a portion of your donation to help United Way of Burlington County Advance the Common Good.

THANK YOU:

Thank you for your generous contribution. Every effort will be made to provide all agencies receiving donor designations the name, address and gift amount of their contributors. United Way strongly encourages agencies to acknowledge their designations individually.
