

United Way of Burlington County

**Awards & Volunteers**

# Volunteer of the Year

The Lawrence D. Epstein Volunteer of the Year Award is the most prestigious of United Way of Burlington County's Awards. We are proud to announce Ed O'Malley as our 2011 Volunteer of the Year.

Ed O'Malley, Senior Management Consultant for Trion, has a committed and varied history with United Way spanning more than ten years. Ed's volunteer-driven attitude has proved to be a strong asset in moving United Way of Burlington County forward.

His time with United Way of Burlington County has been in a variety of capacities over the years. These include his involvement with the Community Impact and Executive Committees as well as serving as a Board member and Chair of the Nominating Committee. Last year, Ed was part of the Campaign Cabinet that led the Major Firms Division in raising over 2 million dollars for United Way.

A busy father of six, Ed still finds the time for a myriad of additional volunteer opportunities throughout the community. He currently serves as Chairman of the Governor's office of Volunteerism and Community Service where he assists the Governor and Secretary of State in developing policy to increase volunteerism in the state of New Jersey. He is past President of the Marlton Rotary, founding Board member of the Evesham Education Foundation and Chairman of the Lenape Education Foundation. He has been recognized for his service most recently as Volunteer of the Year for chairing "Walk America" and for his advocacy of disabled adults and children by Cerebral Palsy of New Jersey.

Ed truly exemplifies what it means to Give, Advocate and Volunteer. His zeal to better Burlington County is a quality to be emulated. We extend a sincere thank you for his enthusiasm and support of United Way of Burlington County.
